

Scholarships

At WSU-Rochester

Scholarships are the best way to pay for some or all of your college education. Classified as “gift aid”, scholarships are a form of funding that does not need to be repaid at any time. Students apply for and earn scholarships based on merit, which could include demonstrated financial need, academic achievement, minority status, talent in performing arts and more.

Here is an overview of many of the scholarship opportunities available to WSU students.

FAFSA (002394)

<https://fafsa.ed.gov/>

Workforce Development, Inc

<https://www.workforcedevelopmentinc.org/services/looking-to-learn/scholarships/>
