<p>1:00-1:10 PM</p>	<p>Welcome with Provost Darrell Newton, PhD Provost and Vice President for Academic Affairs Winona State University</p>
<p>1:10-1:50 PM</p>	<p>Keynote Speaker: Audrey Betcher, MS Retired Director, Rochester Public Library</p> <p>Title: Inclusion, it Doesn't Happen by Accident</p> <p>Bio: Audrey Betcher recently retired from the Rochester Public Library where she was director for 22 years. Prior to working at RPL, Audrey managed a computer system for public and school libraries in southeastern Minnesota. She also worked for a library automation vendor in St. Louis. She is a graduate of St. Catherine's University in St. Paul, MN and holds her Masters of Library Science from the University of Missouri – Columbia.</p> <p>Audrey continues to be involved in the community through volunteering: Rotary (where she is currently President), Ready to Lead Leadership Team, and she is a Rochester Reading Champions tutor.</p>
<p>1:50 – 2:00 PM</p>	<p>Navigating Zoom Platform</p> <p>Tom Hill, Teaching, Learning & Technology Services</p>
